implementation checklists

*prattville comprehensive plan
implementation responsibility checklist*

city council

- _____ 1. Adopt an ordinance requiring decision makers to compare impact of actions with an adopted comprehensive plan. *City Council.*
- _____ 2. Develop, adopt and enforce a stringent nuisance ordinance to eliminate deteriorated and dilapidated housing, and abandoned property, as well as unsafe and/or unsightly appearances. *City Council, Planning Commission.*
- _____ 3. Adopt and implement a long range strategic plan. *City Council.*
- _____ 4. Continue a positive working relationship between the City of Prattville and the Chamber of Commerce. *City Council, Chamber of Commerce, Economic Developer.*
- _____ 5. The City and YMCA should work together to continue recreational programming to provide role models for children and youths, and to build respect. *City Council, City Departments.*
- _____ 6. Encourage community involvement in and awareness of the educational system. *Mayor/Administration, City Council, Autauga County Commission, Board of Education.*
- _____ 7. Amend and enforce Prattville's zoning ordinance and subdivision regulations to protect and preserve established neighborhoods. Include: service roads and access, preservation of residential traffic, circulation, aesthetics, sidewalks, mobile home and manufactured home development, parking. *Planning Commission, City Departments, City Council.*
- _____ 8. Secure a professional economic developer. *City Council, Chamber of Commerce.*
- _____ 9. Improve attractiveness of Prattville's downtown area by showcasing its historic features. (Continue funding of HPRA). *City Council, Public/Private Committees.*
- _____ 10. Educate population about the City's intent to develop an industrial area in the southern part of Prattville to discourage other types of development. *City Council, Industrial Development Board, Economic Developer, Chamber of Commerce.*
- _____ 11. Establish a Prattville Housing Committee to bring all housing information to a central source so that the information may be disseminated as a collective resource. Committee should work with developers to encourage the present trend for construction of moderately high income housing. *City Council, Public/Private Committees, Planning Department, Planning Commission.*

- _____ 12. Establish education enhancement committee to oversee and recommend the dispensing of city funds in a manner that furthers education in Prattville. *City Council.*
- _____ 13. Hold open meetings and/or town meetings to bring educational issues to light. *City Council, Public/Private Committees.*
- _____ 14. Forge a bond between the City of Prattville, Autauga County, and the Boards of Education so that efforts to provide quality education may be concentrated and have better results. *City Council, Autauga County Commission, Board of Education.*
- _____ 15. Establish a storm water management committee to make recommendations and policies. *City Departments, City Council.*
- _____ 16. Develop and implement an erosion control ordinance. *Planning Commission, City Departments, City Council.*
- _____ 17. Include education as a line item under non-departmental funds in City budget. *City Council.*
- _____ 18. Broaden retail base by attracting more family-oriented and specialty retail outlets, and eating establishments. *Mayor/Administration, City Council, Economic Developer, Chamber of Commerce.*
- _____ 19. Work with housing authority to expand resources as needed to meet demand. *City Council, Other Government Agencies, Public/Private Committees.*
- _____ 20. Seek creative private sector solutions for moderate income housing which upholds the image of Prattville. *City Council, Public/Private Committees*
- _____ 21. Maintain appropriate personnel ratios in police and fire departments to continue provision of high quality of life. (low insurance ratings and low crime) *City Council.*
- _____ 22. Provide sewer service to all parts of Prattville: Durden Road, Chestnut Street, Greencrest Road, Scenic Hills, and the Industrial Parks. *Mayor/Administration, City Council, City Departments.*
- _____ 23. Develop a 'spec' building in the Prattville Industrial Park with funds appropriated by the City of Prattville. *Mayor/Administration, City Council, Industrial Development Board.*
- _____ 24. As the opportunity arises, Prattville should pursue development of a multi-use, city-wide sports complex that is capable of meeting recreational demand as well as providing an opportunity to host sports tournaments. *City Council, City Departments.*
- _____ 25. Working with the Alabama DOT, extend the Highway 82 Bypass from Cobbs Ford Road to Highway 14 along the existing route of Old Farm Lane. *Mayor/Administration, City Council, City Departments, Other Government Agencies.*
- _____ 26. Encourage public/private partnerships to increase housing opportunities. *City Council, Public/Private Committees.*
- _____ 27. Secure adequate land for a publicly-owned landfill; Develop an implementation plan; and, Secure appropriate funding. *City Council, City Departments.*

-
- _____ 28. Establish a funding mechanism for seed money for industrial expansion. *City Council, Industrial Development Board.*
 - _____ 29. Build a connector road between County Road 4 and Highway 82. *Mayor/Administration, City Council, Industrial Development Board.*
 - _____ 30. Extend Alabama Highway 14 across the northern part of the city, from east of Pine Creek to Upper Kingston Road. *City Council, Other Government Agencies, Developers and Businesses.*
 - _____ 31. Working with the Alabama Department of Transportation, complete the four-laning of Highway 82 between U.S. Highway 31 and Gin Shop Hill. *Mayor/Administration, City Council, Other Government Agencies.*
 - _____ 32. Develop a collector road from Poplar Street to proposed development east of Pine Creek. *City Council, Developers and Businesses.*
 - _____ 33. Widen and improve Chestnut Street and Northington Street to accommodate existing and future traffic. *Mayor/Administration, City Council, City Departments.*
 - _____ 34. Support and encourage plans to upgrade local airport facilities. *Mayor/Administration, City Council, Autauga County Commission.*
 - _____ 35. Acquire land in the southern part of Prattville for industrial purposes by setting money aside now. *City Council, Industrial Development Board.*
 - _____ 36. Provide quality education system as part of Prattville's overall appeal. Include plans to accommodate subsequent growth. *City Council, Board of Education, Public/Private Committees.*
 - _____ 37. Secure land for institutional purposes that promote economic development (parks, fire stations, etc.) *Mayor/Administration, City Council.*
 - _____ 38. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
 - _____ 39. Join with other agencies in exploring the feasibility of an additional bridge across the Alabama River, connecting the Northern Bypass in Montgomery to Elmore County. Include the feasibility of a connection between Prattville's proposed northern bypass to this bridge. *Mayor/Administration, City Council, City Departments, Other Government Agencies, Developers and Businesses.*
 - _____ 40. As residential growth trends are recognized in a particular area, the City of Prattville should proactively seek the purchase or donation of recreational land to service future residents. *City Council, City Departments.*
 - _____ 41. Working with the Alabama Department of Transportation, explore the possibilities of constructing a bridge across the Alabama River from Autauga County to Lowndes County. *Mayor/Administration, City Council, Other Government Agencies.*
-

- _____ 42. Investigate the demand/need for carpooling and park and ride facilities for commuters to Montgomery. *City Council, City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 43. Provide pedestrian access to the Prattville Elementary Schools through sidewalks and overpasses above East Main Street and Memorial Drive. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 44. To reduce the separation of the neighborhoods on the north and south sides of Cobbs Ford Road and to provide pedestrian and cyclist access to the area's commercial district, a pedestrian overpass should be constructed near the intersection of Sheila Boulevard, Greystone Way, and Cobbs Ford Road. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*

*prattville comprehensive plan
implementation responsibility checklist*

planning commission

- _____ 1. Develop, adopt and enforce a stringent nuisance ordinance to eliminate deteriorated and dilapidated housing, and abandoned property, as well as unsafe and/or unsightly appearances. *City Council, Planning Commission.*
- _____ 2. Amend and enforce Prattville's zoning ordinance and subdivision regulations to protect and preserve established neighborhoods. Include: service roads and access, preservation of residential traffic, circulation, aesthetics, sidewalks, mobile home and manufactured home development, parking. *Planning Commission, City Departments, City Council.*
- _____ 3. Establish a Prattville Housing Committee to bring all housing information to a central source so that the information may be disseminated as a collective resource. Committee should work with developers to encourage the present trend for construction of moderately high income housing. *City Council, Public/Private Committees, Planning Department, Planning Commission.*
- _____ 4. Develop and implement an erosion control ordinance. *Planning Commission, City Departments, City Council.*
- _____ 5. Include walking trails in development of new parks. Also, take advantage of natural resources, such as flood plains, to develop linear parks and trails. *Planning Commission, City Departments.*

*prattville comprehensive plan
implementation responsibility checklist*

mayor and administration

- _____ 1. Encourage community involvement in and awareness of the educational system. *Mayor/Administration, City Council, Autauga County Commission, Board of Education.*
- _____ 2. Working with the Alabama Department of Transportation, complete the extension of U.S. Highway 82 to Cobbs Ford Road as soon as possible. *City Departments, Mayor/Administration.*
- _____ 3. Promote infill development and the use of vacant commercial buildings. This action should be the main thrust of the economic developer. *Mayor/Administration, Economic Developer.*
- _____ 4. Broaden retail base by attracting more family-oriented and specialty retail outlets, and eating establishments. *Mayor/Administration, City Council, Economic Developer, Chamber of Commerce.*
- _____ 5. Develop campaign for securing a northern loop, to include budgeting for the loop and securing land options. *Mayor/Administration, Economic Developer, Public/Private Committees.*
- _____ 6. Work with Autauga County Board of Education to further develop shared recreational facilities. *Mayor/Administration, City Departments, Board of Education.*
- _____ 7. Provide sewer service to all parts of Prattville: Durden Road, Chestnut Street, Greencrest Road, Scenic Hills, and the Industrial Parks. *Mayor/Administration, City Council, City Departments.*
- _____ 8. Develop a 'spec' building in the Prattville Industrial Park with funds appropriated by the City of Prattville. *Mayor/Administration, City Council, Industrial Development Board.*
- _____ 9. Working with the Alabama DOT, extend the Highway 82 Bypass from Cobbs Ford Road to Highway 14 along the existing route of Old Farm Lane. *Mayor/Administration, City Council, City Departments, Other Government Agencies.*
- _____ 10. Increase public awareness of recreational facilities and resources, and public involvement in the existing and planned recreational programs so that a regional presence is maintained. *Mayor/Administration, City Departments, Chamber of Commerce.*
- _____ 11. Build a connector road between County Road 4 and Highway 82. *Mayor/Administration, City Council, Industrial Development Board.*

- _____ 12. Working with the Alabama Department of Transportation, complete the four-laning of Highway 82 between U.S. Highway 31 and Gin Shop Hill. *Mayor/Administration, City Council, Other Government Agencies.*
- _____ 13. Widen and improve Chestnut Street and Northington Street to accommodate existing and future traffic. *Mayor/Administration, City Council, City Departments.*
- _____ 14. Support and encourage plans to upgrade local airport facilities. *Mayor/Administration, City Council, Autauga County Commission.*
- _____ 15. Encourage commercial development which adds to the city's attractiveness. *Mayor/Administration, Economic Developer, Chamber of Commerce, Developer and Businesses.*
- _____ 16. Constantly seek alternative funding resources so that necessary educational facilities can be provided. *Mayor/Administration, Board of Education, Public/Private Committees.*
- _____ 17. Secure land for institutional purposes that promotes economic development. (parks, fire stations, etc.) *Mayor/Administration, City Council.*
- _____ 18. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
- _____ 19. Join with other agencies in exploring the feasibility of an additional bridge across the Alabama River, connecting the Northern Bypass in Montgomery to Elmore County. Include the feasibility of a connection between Prattville's proposed northern bypass to this bridge. *Mayor/Administration, City Council, City Departments, Other Government Agencies, Developers and Businesses.*
- _____ 20. Working with the Alabama Department of Transportation, explore the possibilities of constructing a bridge across the Alabama River from Autauga County to Lowndes County. *Mayor/Administration, City Council, Other Government Agencies.*

prattville comprehensive plan implementation responsibility checklist

city departments

- _____ 1. Develop a thoroughfare plan which identifies major arterials, minor arterials, collectors and minor roads. Include limitations on access, an access plan for all schools, ways to decrease congestion, and industrial access needs. Designate truck routes. Correct existing line of sight and turning lane problems. Study feasibility of one way streets to clarify traffic patterns. *City Departments.*
- _____ 2. The City and YMCA should work together to continue recreational programming to provide role models for children and youths, and to build respect. *City Council, City Departments.*
- _____ 3. Amend and enforce Prattville's zoning ordinance and subdivision regulations to protect and preserve established neighborhoods. Include: service roads and access, preservation of residential traffic, circulation, aesthetics, sidewalks, mobile home and manufactured home development, parking. *Planning Commission, City Departments, City Council.*
- _____ 4. Establish a Prattville Housing Committee to bring all housing information to a central source so that the information may be disseminated as a collective resource. Committee should work with developers to encourage the present trend for construction of moderately high income housing. *City Council Public/Private Committees, Planning Department, Planning Commission.*
- _____ 5. Develop campaign to educate Prattville citizens of City's transportation needs through participation in joint city-county transportation committee. *City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 6. Establish a citizen-based support organization to help fund-raise and maintain parks as a civic project. Committee should actively seek the donation and/or contribution of land from corporate and civic benefactors. *City Departments, Public/Private Committees.*
- _____ 7. Discourage vandalism in Prattville parks through community participation and civic awareness programs for all age groups. *City Departments, Public/Private Committees.*
- _____ 8. Continue to promote and expand the existing soccer program for both youth and adults. *City Departments, Public /Private Committees.*
- _____ 9. Establish a storm water management committee to make recommendations and policies. *City Departments, City Council.*
- _____ 10. Develop and implement an erosion control ordinance. *Planning Commission, City Departments, City Council.*

- _____ 11. Working with the Alabama Department of Transportation, complete the extension of U.S. Highway 82 to Cobbs Ford Road as soon as possible. *City Departments, Mayor/Administration.*
- _____ 12. Support recreation efforts to provide pedestrian facilities which will increase and improve transportation resources. *City Departments, Public/Private Committees.*
- _____ 13. Work with Autauga County Board of Education to further develop shared recreational facilities. *Mayor/Administration, City Departments, Board of Education.*
- _____ 14. Include walking trails in development of new parks. Also, take advantage of natural resources, such as flood plains, to develop linear parks and trails. *Planning Commission, City Departments*
- _____ 15. Provide sewer service to all parts of Prattville: Durden Road, Chestnut Street, Greencrest Road, Scenic Hills, and the Industrial Parks. *Mayor/Administration, City Council, City Departments.*
- _____ 16. As the opportunity arises, Prattville should pursue development of a multi-use, city-wide sports complex that is capable of meeting recreational demand as well as providing an opportunity to host sports tournaments. *City Council, City Departments.*
- _____ 17. Working with the Alabama DOT, extend the Highway 82 Bypass from Cobbs Ford Road to Highway 14 along the existing route of Old Farm Lane. *Mayor/Administration, City Council, City Departments, Other Government Agencies.*
- _____ 18. Increase public awareness of recreational facilities and resources, and public involvement in the existing and planned recreational programs so that a regional presence is maintained. *Mayor/Administration, City Departments, Chamber of Commerce.*
- _____ 19. Develop a tennis program to build participation and attract another source of recreational supporters. *City Departments.*
- _____ 20. Secure adequate land for a publicly-owned landfill; Develop an implementation plan; and, Secure appropriate funding. *City Council, City Departments.*
- _____ 21. Upgrade fire hydrants to meet height specifications. *City Departments.*
- _____ 22. Widen and improve Chestnut Street and Northington Street to accommodate existing and future traffic. *Mayor/Administration, City Council, City Departments.*
- _____ 23. Take advantage of opportunities as they arise to develop neighborhood and community parks. Place emphasis on development of larger parks (neighborhood type) as opposed to smaller, pocket parks to increase recreational opportunities and decrease maintenance. *City Departments, Developers and Businesses.*

- _____ 24. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
- _____ 25. Join with other agencies in exploring the feasibility of an additional bridge across the Alabama River, connecting the Northern Bypass in Montgomery to Elmore County. Include the feasibility of a connection between Prattville's proposed northern bypass to this bridge. *Mayor/Administration, City Council, City Departments, Other Government Agencies, Developers and Businesses.*
- _____ 26. As residential growth trends are recognized in a particular area, the City of Prattville should proactively seek the purchase or donation of recreational land to service future residents. *City Council, City Departments.*
- _____ 27. Whenever possible, develop trails with destination points, to promote use and long-range activity. *City Departments, Public/Private Committees.*
- _____ 28. Investigate the demand/need for carpooling and park and ride facilities for commuters to Montgomery. *City Council, City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 29. Use the Pine Creek floodplain as the foundation for a pedestrian and bicycle trail to connect areas in east Prattville. Such a trail should be extended north and west to connect future residential and commercial development in north and northeast Prattville. *City Departments, Public/Private Committees.*
- _____ 30. Provide pedestrian access to the Prattville Elementary Schools through sidewalks and overpasses above East Main Street and Memorial Drive. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 31. To reduce the separation of the neighborhoods on the north and south sides of Cobbs Ford Road and to provide pedestrian and cyclist access to the area's commercial district, a pedestrian overpass should be constructed near the intersection of Sheila Boulevard, Greystone Way, and Cobbs Ford Road. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 32. Provide pedestrian access from the downtown area to the Prattmont area in order to facilitate the pedestrian movement from the western side of the city to the YMCA, shopping areas, and the elementary and intermediate schools. *City Departments, Public/Private Committees.*

*prattville comprehensive plan
implementation responsibility checklist*

county commission

- _____ 1. Encourage community involvement and awareness in the educational system. *Mayor/Administration, City Council, Autauga County Commission, Board of Education.*
- _____ 2. Forge a bond between the City of Prattville, Autauga County, and the Boards of Education so that efforts to provide quality education may be concentrated and have better results. *City Council, Autauga County Commission, Board of Education.*
- _____ 3. Support and encourage plans to upgrade local airport facilities. *Mayor/Administration, City Council, Autauga County Commission.*

*prattville comprehensive plan

chamber of commerce and economic developer

- _____ 1. Continue a positive working relationship between the City of Prattville and the Chamber of Commerce. *City Council, Chamber of Commerce, Economic Developer.*
- _____ 2. Secure a professional economic developer. *City Council, Chamber of Commerce.*
- _____ 3. Educate population of the City's intent to develop an industrial area in the southern part of Prattville to discourage other types of development. *City Council, Industrial Development Board, Economic Developer, Chamber of Commerce.*
- _____ 4. Develop campaign to educate Prattville citizens of City's transportation needs through participation in a joint city-county transportation committee. *City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 5. Promote infill development and the use of vacant commercial buildings. This action should be the main thrust of the economic developer. *Mayor/Administration, Economic Developer.*
- _____ 6. Broaden retail base by attracting more family-oriented and specialty retail outlets, and eating establishments. *Mayor/Administration, Economic Developer, Public/Private Committees.*
- _____ 7. Develop campaign for securing a northern loop, to include budgeting for the loop and securing land options. *Mayor/Administration, Economic Developer, Public/Private Committees.*
- _____ 8. Encourage private industries to clean up appearances. *Economic Developer, Chamber of Commerce.*
- _____ 9. Increase public awareness of recreational facilities and resources, and public involvement in the existing and planned recreational programs so that a regional presence is maintained. *Mayor/Administration, City Departments, Chamber of Commerce.*
- _____ 10. Encourage commercial development which adds to the city's attractiveness. *Mayor/Administration, Economic Developer, Chamber of Commerce, Developer and Businesses.*
- _____ 11. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
- _____ 12. Investigate the demand/need for carpooling and park and ride facilities for commutes to Montgomery. *City Council, City Departments, Chamber of Commerce, Public/Private Committees.*

*prattville comprehensive plan
implementation responsibility checklist*

government agencies and appointed boards

- _____ 1. Encourage community involvement and awareness in the educational system. *Mayor/Administration, City Council, Autauga County Commission, Board of Education.*
- _____ 2. Educate population of the City's intent to develop an industrial area in the southern part of Prattville to discourage other types of development. *City Council, Industrial Development Board, Economic Developer, Chamber of Commerce.*
- _____ 3. Forge a bond between the City of Prattville, Autauga County, and the Boards of Education so that efforts to provide quality education may be concentrated and have better results. *City Council, Autauga County Commission, Board of Education.*
- _____ 4. Work with housing authority to expand resources as needed to meet demand. *City Council, Other Government Agencies, Public/Private Committees.*
- _____ 5. Combine housing educational programs with economic development programs in vocational education curriculums. *Board of Education, Other Government Agencies, Public/Private Committees.*
- _____ 6. Develop seminar programs with a variety of resource programs to inform home buyers of opportunities and responsibilities. *Other Government Agencies, Public/Private Committees.*
- _____ 7. Work with Autauga County Board of Education to further develop shared recreational facilities. *Mayor/Administration, City Departments, Board of Education.*
- _____ 8. Develop a 'spec' building in the Prattville Industrial Park with funds appropriated by the City of Prattville. *Mayor/Administration, City Council, Industrial Development Board.*
- _____ 9. Working with the Alabama DOT, extend the Highway 82 Bypass from Cobbs Ford Road to Highway 14 along the existing route of Old Farm Lane. *Mayor/Administration, City Council, City Departments, Other Government Agencies.*
- _____ 10. Expand vocational education opportunities for Prattville students. *Board of Education, Public/Private Committees.*
- _____ 11. Upgrade areas with deficient water service, such as the Allenville Road area. *Other Government Agencies.*
- _____ 12. Establish a funding mechanism for seed money for industrial expansion. *City Council, Industrial Development Board.*

- _____ 13. Build a connector road between County Road 4 and Highway 82. *Mayor/ Administration, City Council, Industrial Development Board.*
- _____ 14. Extend Alabama Highway 14 across the northern part of the city, from east of Pine Creek to Upper Kingston Road. *City Council, Other Government Agencies, Developers and Businesses.*
- _____ 15. Working with the Alabama Department of Transportation, complete the four-laning of Highway 82 between U.S. Highway 31 and Gin Shop Hill. *Mayor/ Administration, City Council, Other Government Agencies.*
- _____ 16. Constantly seek alternative funding resources so that necessary educational facilities can be provided. *Mayor/Administration, Board of Education, Public/Private Committees.*
- _____ 17. Acquire land in southern part of Prattville for industrial purposes by setting money aside now. *City Council, Industrial Development Board.*
- _____ 18. Provide quality education system as part of Prattville's overall appeal. Include plans to accommodate subsequent growth. *City Council, Board of Education, Public/Private Committees.*
- _____ 19. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/ Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
- _____ 20. Join with other agencies in exploring the feasibility of an additional bridge across the Alabama River, connecting the Northern Bypass in Montgomery to Elmore County. Include the feasibility of a connection between Prattville's proposed northern bypass to this bridge. *Mayor/Administration, City Council, City Departments, Other Government Agencies, Developers and Businesses.*
- _____ 21. Working with the Alabama Department of Transportation, explore the possibilities of constructing a bridge across the Alabama River from Autauga County to Lowndes County. *Mayor/Administration, City Council, Other Government Agencies.*
- _____ 22. Provide pedestrian access to the Prattville Elementary Schools through sidewalks and overpasses above East Main Street and Memorial Drive. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 23. To reduce the separation of the neighborhoods on the north and south sides of Cobbs Ford Road and to provide pedestrian and cyclist access to the area's commercial district, a pedestrian overpass should be constructed near the intersection of Sheila Boulevard, Greystone Way, and Cobbs Ford Road. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*

*prattville comprehensive plan
implementation responsibility checklist*

public and/or private organizations and committees

- _____ 1. Improve attractiveness of Prattville's downtown area by showcasing its historic features. (Continue funding of HPRA). *City Council, Public/Private Committees.*
- _____ 2. Establish a Prattville Housing Committee to bring all housing information to a central source so that the information may be disseminated as a collective resource. Committee should work with developers to encourage the present trend for construction of moderately high income housing. *City Council, Public/Private Committees, Planning Department, Planning Commission.*
- _____ 3. Develop campaign to educate Prattville citizens of City's transportation needs through participation in joint city-county transportation committee. *City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 4. Establish a citizen-based support organization to help fund-raise and maintain parks as a civic project. Committee should actively seek the donation and/or contribution of land from corporate and civic benefactors. *City Departments, Public/Private Committees.*
- _____ 5. Discourage vandalism in Prattville parks through community participation and civic awareness programs for all age groups. *City Departments, Public/Private Committees.*
- _____ 6. Continue to promote and expand the existing soccer program for both youth and adults. *City Departments, Public/Private Committees.*
- _____ 7. Develop community programs to inspire teachers to be inspirations; in other words, to help students reach beyond the basics to realize their potential. *Public/Private Committees.*
- _____ 8. Hold open meetings and/or town meetings to bring educational issues to light. *City Council, Public/Private Committees.*
- _____ 9. Work with housing authority to expand resources as needed to meet demand. *City Council, Other Government Agencies, Public/Private Committees.*
- _____ 10. Seek creative private sector solutions for moderate income housing which upholds the image of Prattville. *City Council, Public/Private Committees.*
- _____ 11. Combine housing educational programs with economic development programs in vocational education curriculums. *Board of Education, Other Government Agencies, Public/Private Committees.*
- _____ 12. Develop seminar programs with a variety of resource programs to inform home buyers of opportunities and responsibilities. *Other Government Agencies, Public/Private Committees.*
- _____ 13. Develop campaign for securing a northern loop, to include budgeting for the loop and securing land options. *Mayor/Administration, Economic Developer, Public/Private Committees.*

- _____ 14. Support recreation efforts to provide pedestrian facilities which increase and improve transportation resources. *City Departments, Public/Private Committees.*
- _____ 15. Encourage public/private partnerships to increase housing opportunities. *City Council, Public/Private Committees.*
- _____ 16. Establish working relationships with Habitat for Humanity, or similar associations, to promote infill residential development. *Public/Private Committees.*
- _____ 17. Form neighborhood associations to work with the City of Prattville in lobbying for specific residential needs. *Public/Private Committees.*
- _____ 18. Expand vocational education opportunities for Prattville students. *Board of Education, Public/Private Committees.*
- _____ 19. Constantly seek alternative funding resources so that necessary educational facilities can be provided. *Mayor/Administration, Board of Education, Public/Private Committees.*
- _____ 20. As opportunities arise, convert older existing housing units into rental units, so that affordable rental opportunities are available and rental housing is not necessarily congregated in one area. The spread out characteristic of rental properties may also help deter blight and crime. *Public/Private Committees.*
- _____ 21. Provide quality education system as part of Prattville's overall appeal. Include plans to accommodate subsequent growth. *City Council, Board of Education, Public/Private Committees.*
- _____ 22. Whenever possible, develop trails with destination points, to promote use and long-range activity. *City Departments, Public/Private Committees.*
- _____ 23. Investigate the demand/need for carpooling and park and ride facilities for commuters to Montgomery. *City Council, City Departments, Chamber of Commerce, Public/Private Committees.*
- _____ 24. Use the Pine Creek floodplain as the foundation for a pedestrian and bicycle trail to connect areas in east Prattville. Such a trail should be extended north and west to connect future residential and commercial development in north and northeast Prattville. *City Departments, Public/Private Committees.*
- _____ 25. Provide pedestrian access to the Prattville Elementary Schools through sidewalks and overpasses above East Main Street and Memorial Drive. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 26. To reduce the separation of the neighborhoods on the north and south sides of Cobbs Ford Road and to provide pedestrian and cyclist access to the area's commercial district, a pedestrian overpass should be constructed near the intersection of Sheila Boulevard, Greystone Way, and Cobbs Ford Road. *City Council, City Departments, Other Government Agencies, Public/Private Committees.*
- _____ 27. Provide pedestrian access from the downtown area to the Prattmont area in order to facilitate the pedestrian movement from the western side of the city to the YMCA, shopping areas, and the elementary and intermediate schools. *City Departments, Public/Private Committees.*

*prattville comprehensive plan
implementation responsibility checklist*

businesses and developers

- _____ 1. Extended Alabama Highway 14 across the northern part of the city, from east of Pine Creek to Upper Kingston Road. *City Council, Other Government Agencies, Developers and Businesses.*
- _____ 2. Develop a collector road from Poplar Street to proposed development east of Pine Creek. *City Council, Developers and Businesses.*
- _____ 3. Encourage commercial development which adds to the city's attractiveness. *Mayor/Administration, Economic Developer, Chamber of Commerce, Developer and Businesses.*
- _____ 4. Take advantage of opportunities as they arise to develop neighborhood and community parks. Place emphasis on development of larger parks (neighborhood type) as opposed to smaller, pocket parks to increase recreational opportunities and decrease maintenance. *City Departments, Developers and Businesses.*
- _____ 5. Construct a northern bypass from Highway 14 to Highway 82. *Mayor/Administration, City Council, City Departments, Economic Developer, Other Government Agencies, Developers and Businesses.*
- _____ 6. Join with other agencies in exploring the feasibility of an additional bridge across the Alabama River, connecting the Northern Bypass in Montgomery to Elmore County. Include the feasibility of a connection between Prattville's proposed northern bypass to this bridge. *Mayor/Administration, City Council, City Departments, Other Government Agencies, Developers and Businesses.*
