

PRATTVILLE CHRISTIAN ACADEMY 5Th GRADE CLASS

"HONOR WALK"

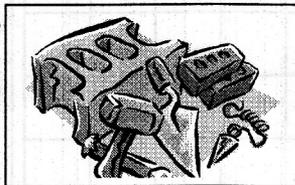

The PCA Fifth Grade Class has once again partnered with the Autauga Regional Honor Flight Program. The Honor Flight Program was established to afford veterans of WWII the opportunity to visit the WWII Memorial in Washington, D.C. The Honor Flight program was conceived by Earl Morse, a Physician Assistant and Retired Air Force Captain, to honor veterans he has taken care of for the past 27 years. The WWII Memorial was completed and dedicated in Washington, D.C. in May 2004. After months had gone by, Mr. Morse and most of veterans he served realized that they may never visit the memorial. Most of these veterans are not financially or physically capable of making a 3-4 day journey to Washington, D.C. alone.

These American heroes are now in their 80s and lack the physical and mental wherewithal to complete a trip on their own. The Fifth Graders at PCA are committed to assuring that these heroes in the River Region have the opportunity to visit this memorial which honors their service. The Autauga Regional Honor Flight Program has scheduled a flight for May 2009. This flight will take over 90 veterans and their guardians to Washington D.C. The cost for one "flight" is \$60,000.00.

Please purchase an engraved memorial brick to honor a veteran (or current servicemember) and to support this effort. The bricks will be beautifully displayed around the PCA flag pole. As we walk by the flagpole, we will be reminded of those individuals who have protected our freedoms in the past and of those individuals who currently serve our country.
