

January 6, 2026

Councilors:

Pursuant to Section 23-8-8(e), Code of Alabama 1975, as amended, all municipalities are required to provide a written report to the City Council at the first meeting in January detailing the previous fiscal year's expenditures made from the City's Rebuild Alabama Gas Tax Fund. Please see below for the related information for the fiscal year ending September 30, 2025.

- \$311,346.02 – Rebuild Alabama Gas Tax Receipts
- \$542,303.11 – Expenses Paid from Rebuild Alabama Gas Tax Receipts
 - FY 2025 Local Paving project
- The FY 2025 Transportation Plan adopted by Council on August 20, 2024, included the following resurfacing projects:
 - Old Ridge Road from Calumet Parkway to the Corporate Limits

Note: The Old Ridge Road project was not completed during FY 2025; therefore, the Rebuild Alabama Gas Tax Funds were reallocated to the FY 2025 Local Paving project. The Old Ridge Road project has been re-budgeted in FY 2026 and will be paid for with Development Reserves.

Please let me know if you have any questions.

Sincerely,

Daniel Oakley
Finance Director
